EXECUTIVE ORDER NO. 2001-33

**RELATIVE TO PREVENTING UNAUTHORIZED
IMPORTATION OF TOBACCO PRODUCTS INTO
GUAM.**

WHEREAS, Guam is a signatory to the Master Settlement Agreement between various states and territories and manufacturers of tobacco products; and

WHEREAS, the Master Settlement Agreement requires each signatory tobacco manufacturer to make payments calculated on the number of cigarettes and other tobacco products sold in each jurisdiction; and

WHEREAS, the Master Settlement Agreement requires signatory jurisdictions to enact laws and procedures which eliminate any competitive advantage which tobacco product manufacturers which are non-signatories of the Master Settlement Agreement may enjoy by avoiding these payments; and

WHEREAS, the Guam Legislature has enacted Public Law No. 26-03 which is Guam's version of the Model Statute set forth in the Master Settlement Agreement which requires each non-participating tobacco products manufacturer to establish an escrow account to be funded using the same formula as is applied to signatories of the Master Settlement Agreement; and

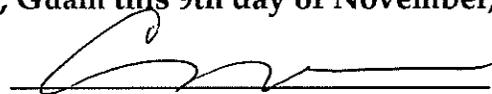

WHEREAS, it has come to the attention of the Governor that there are tobacco manufacturers supplying cigarettes and other tobacco products to Guam who have neither signed the Master Settlement Agreement nor complied with the provisions of Public Law No. 26-03; and

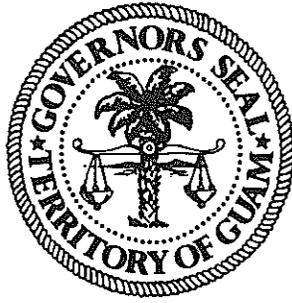

WHEREAS, many of those not in compliance are located in the United States or foreign jurisdictions and proceedings in the courts of Guam to enforce their obligations may be ineffective; the difficulty in enforcing the provisions of Public Law No. 26-03 threatens to nullify the intent of the Guam Legislature;

NOW, THEREFORE, I, CARL T.C. GUTIERREZ, I Maga'Lahen Guåhan, Governor of Guam, by virtue of the authority vested in me by the Organic Act of Guam, as amended, do order:

- 1. Manufacturers or importers to establish compliance.** No tobacco products as defined in the Master Settlement Agreement signed by the government of Guam shall be admitted to Guam unless the importer establishes that the manufacturer of the tobacco products or the importer itself has complied with the Master Settlement Agreement or with the provisions of Public Law No. 26-03.

SIGNED AND PROMULGATED at Hagåtña, Guam this 9th day of November, 2001.
