

GOVERNMENT OF GUAM
Office of the Governor
Agana, Guam

EXECUTIVE ORDER NO. 61-5

REVOCATION OF DAYLIGHT SAVING TIME AND RESTORATION OF STANDARD TIME

WHEREAS, Executive Order No. 7-59 directed that Guam Standard Time be advanced one (1) hour at 2:00 o'clock ante meridian on June 27, 1959, pursuant to Section 233, Government Code of Guam, thereby putting into effect Guam Daylight Saving Time; and

WHEREAS, I have been advised by the Commander Naval Forces Marianas that the mobile turbine power unit, which was installed by the United States Navy with the cooperation of the Government of Guam, is now in operation and there is currently sufficient generating capacity to handle peak load demands, so that Daylight Saving Time is no longer required to protect anticipated demands on the Island Power System; and

WHEREAS, there is a general desire that Standard Time be restored;

NOW, THEREFORE, by virtue of the authority vested in me by Section 233, Government Code of Guam, it is hereby directed that at 2:00 o'clock ante meridian on Sunday, January 29, 1961, Guam Standard Time as advanced one (1) hour from the time of the 150th meridian on longitude east from Greenwich, by Executive Order No. 7-59, shall be retarded one (1) hour to the standard time of the 150th meridian of longitude east from Greenwich, thereby revoking Guam Daylight Saving Time.

Dated at Agana, Guam, this 24th day of January, 1961.
