

GOVERNMENT OF GUAM
OFFICE OF THE GOVERNOR
AGANA, GUAM

EXECUTIVE ORDER NO. 65-8

WHEREAS, Section 12007, Government Code of Guam, in conjunction with Section 12321, Government Code of Guam, authorizes the Department of Agriculture, subject to the approval of the Director of Agriculture, to formulate regulations pertaining to the methods of taking fish and the places where taking is permitted; and

WHEREAS, the aforesaid Section 12007, Government Code of Guam, provides that such regulations shall be issued upon approval of the Governor and promulgation by Executive Order;

NOW, THEREFORE, by virtue of the foregoing, Regulation No. 12, promulgated on February 15, 1965, is hereby rescinded and the attached regulation entitled: "Department of Agriculture Regulation No. 14 Relating to Restrictions on Taking of Fish in the Area of Agana Small Boat Basin, Agana Small Boat Channel and the Shoreline Surrounding the Paseo de Susana" is hereby approved and promulgated, to be in effect this date.

Dated at Agana, Guam, this 29th day of June, 1965.

MANUEL F. L. GUERPERO
Governor of Guam

COUNTERSIGNED:

DENVER DICKERSON
Secretary of Guam

GOVERNMENT OF GUAM
DEPARTMENT OF AGRICULTURE

REGULATION NO. 14 RELATING TO RESTRICTIONS
ON TAKING OF FISH IN THE AREA OF AGANA SMALL
BOAT BASIN, AGANA SMALL BOAT CHANNEL AND THE
SHORELINE SURROUNDING THE PASEO DE SUSANA.

Pursuant to the authority vested in the Director of Agriculture by Section 12007, Government Code of Guam, in conjunction with Section 12321, Government Code of Guam, Regulation No. 12, promulgated on February 15, 1965, is hereby requested to be rescinded and the following Regulation No. 14 relating to the taking of fish is hereby approved:

1. Fishing by hook and line is the only approved method of taking fish in that area within 100 yards of the shoreline surrounding the Agana Small Boat Basin, Channel and the Paseo De Susana. Not more than three hooks shall be attached to the mainline when fishing in the above areas.

2. Net and trap devices of all kinds may not be used in that area within 100 yards of the shoreline surrounding the Agana Small Boat Basin, Channel and the Paseo De Susana, except by temporary permits as issued by the Director of Agriculture and providing that the issuance of such permits comply with the following provisions:

- (a) The temporary net fishing permits as issued by the Director of Agriculture shall be valid only during the weekdays (other than legal holidays). No permits will be issued for Saturdays, Sundays, and legal holidays.

- (b) The temporary net permits shall be valid only during the hours determined by the Director of Agriculture.
- (c) These temporary permits will be issued only during the months of June, July, August, September and October. Only under special circumstances will the Director issue permits during the other months of the year.
- (d) Each temporary permit will be good for only one (1) day and only one (1) permit shall be issued on a given day.
- (e) These temporary permits will be issued only to registered commercial net fishing operators. Each registered commercial and fishing operator will be allowed only three (3) temporary permits during the months enumerated above.
- (f) Because of the safety hazard created by nets being placed across the channel, the net fishing operator shall continuously man the nets while it is in the water to allow the safe passage of boats which are utilizing the channel and boat basin.
- (g) Failure to comply with the above provision (f) of allowing the boats to pass through the nets safely and promptly will be grounds for revocation of the operators temporary permit. Non-cooperation of the above provision shall constitute grounds for non-acceptance of subsequent applications for temporary permits in this area.

3. For purposes of this Regulation those areas where fishing is regulated as described in 1 and 2 above, shall be the shoreline, natural or manmade, starting at the mouth of the Agana River on the east and ending on the west at the westernmost portion of the Agana Small Boat Basin Breakwater.

D. D. L. FLORES
Director of Agriculture
