the Veteran's Bonus Act

These regulations have been reviewed by this office previously and found to be acceptable with one exception, which has been corrected in the current rules. The required public hearing on these rules was held on February 23, 1973, and no suggestions for changes were made. Therefore, I can recommend that the rules and regulations be promulgated by you by means of an Executive Order, which is attached, at the earliest possible date as the deadline for granting these bonuses is July 1, 1973, absent amendatory Legislation extending that date.
