

TERRITORY OF GUAM  
OFFICE OF THE GOVERNOR  
AGAÑA, GUAM 96910  
U. S. A.

EXECUTIVE ORDER NO. 92-29

**ESTABLISHING AN INFRASTRUCTURE INFORMATION SYSTEM  
COORDINATING COMMITTEE**

**WHEREAS**, there is a need to coordinate the efforts of various agencies in the process of computerizing infrastructure information; and

**WHEREAS**, the computerization of infrastructure information is essential to the Government's ability to plan and manage the physical growth and development of the island for the benefit of all of the people of Guam; and

**WHEREAS**, the complexity of today's information needs cannot be managed if agencies do not evaluate and implement appropriate measures to share information collected by each agency; and

**WHEREAS**, prudent expenditure of public financial resources requires coordination among all user agencies and the public.

**NOW, THEREFORE, I, JOSEPH F. ADA**, Governor of the Territory of Guam, by virtue of the authority vested in me by the Organic Act of Guam, as amended and the laws of Guam, do hereby order that:

1. The Infrastructure Information System Coordinating Committee is created with the following responsibilities:
  - a. to coordinate infrastructure data collection and computerization efforts.
  - b. to develop a plan to assure integration of data needs while respecting the need of individual agencies computerization efforts.
  - c. to carry out the infrastructure information system objectives of the Operations and Maintenance Improvement Program.
2. The Committee shall be comprised of the following agencies:

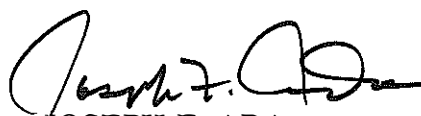

Public Utility Agency of Guam, Guam Power Authority, Guam Telephone Authority, Department of Public Works, Guam Environmental Protection Agency, Department of Land Management, Department of Administration, Bureau of Planning and other agencies that are necessary to carry out its objectives.

Executive Order No. 92-29
